President's Report

As we head into our 100th year, it is pleasing to be able to report that the Sandy Bay Harrier Club is in a strong position across all aspects of the sport. Our women recorded back-to-back Track and Field Premierships, our Men made it nine in a row, and we easily retained the Combined Premiership. We had an improved showing during the Winter season, with both our men's and women's teams winning multiple rounds and challenging for their respective premierships. Whilst our dominance during the summer season has raised some eyebrows, I am mindful club membership ebbs and flows, and it was not so long ago that our numbers were at an all-time low.

It has taken time to rebuild the Club to its current position of strength, and it has taken a concerted effort to focus on building a culture that encourages both recruitment and retention. This has included an emphasis on recognising personal best achievements rather than focusing solely on our high achieving athletes. We were able to do this through the support of our excellent sponsors namely Banjo's Sandy Bay, Bulk Nutrients, Bennett's Petroleum, the Running Edge and Da Angelo's Ristorante. Our membership remained stable at just over 200, with a slight drop off in the summer season offset by an increase in winter membership. We once again provided a free competition singlet and club t-shirt for members, along with financial assistance to travel to National competitions.

Individually, there were many highlights throughout the year, with Violet Owen, Ava Lindquist, Izzy King and Margot Hobday all breaking State Records in their respective events. We had 14 athletes compete in the National Underage Championships in Brisbane, with medals to Alex Scarafioti, Ava Lindquist, Jasper Mason, Tom Gartlan and Connor Moy. At the Senior and U/20 Nationals in Sydney, we were represented by Jackson Mellor, Thomas Wilson, Ruby Smee and Izzy King. The latter set National T71 records in both the 100m and 200m, as well as a PB and State record in the seated javelin. Jackson produced a personal best of 59.77m in the hammer throw and went on to represent Australia in the 2026 Oceania Championships in Darwin.

The success of our athletes is in no small part due to the guidance of some wonderful volunteer coaches. Coaches are critical to our sport, and we are lucky to have some of the best providing support to our athletes. We are also extremely fortunate to have some dedicated Captains who have contributed to our success during the summer season. A big thanks to Hannah Sheen, Jarred Gilroy, Sky Bestley Toman and Will Pereira for their work throughout the season organising relay teams and supporting our members. Thanks also to everyone who assisted with officiating and assisting with setting up and packing up the tent each week.

I also want to acknowledge the efforts of our dedicated Club Committee, who have done a power of work throughout the year, culminating in a hugely successful Light up the Dark Fun Run that had over 500 participants and raised \$4,000 for the Tasmanian Sexual Assault Support Service. The amount of work put in by Race Director Caleb Gardner and his team to organise this event was amazing, with a shout out to Lynne Lyden who processed hundreds of milk bottles to turn into lanterns to mark the course. A big thanks also to the sponsors of the event – Bulk Nutrients, Flippers, What's New, Form Plus Pilates and the Kingborough Council, along with everyone who volunteered their time to assist on the night.

Our Club duties during the summer season have for many years been to prepare the jumps' pit and provide officials for the long and triple jump competitions. Things changed this year when Athletics South decided to rotate responsibilities, with the aim of producing more multi-skilled officials. Whilst well intended, this change made it harder to find volunteers, with the workload inevitably falling to the same few each week. This is an unsustainable situation that will need to be addressed next season. A big thanks to all those who helped out with our Club duties in both the summer and winter seasons.

Unfortunately, there were some down times during the year, most notably the passing of Annie Pullen and David Davis-Jones. Annie was a member of the Club since her junior years and was a loyal contributor during both the summer and winter seasons. Athletics brought her great joy, and in turn, she brought joy to athletics with her warmth, kindness and beautiful smile. David served on our Club committee and coached many of our athletes, including Half Marathon record holder, Dejen Gebreselassie. He was always extremely generous, both with his time and in the donation of items for Club fundraising events. Both Annie and David will be sorely missed.

The other negative for the year was the continuation of a legal claim against the Club arising from an incident that was alleged to have occurred in 1977. This consumed time and energy, as well as considerable cost in engaging legal representation. As this matter remains unresolved at the time of writing, I shall refrain from making further comment other than to say that the current Club Committee takes its child protection obligations very seriously and the safety of participants, volunteers and officials are central to our goal to providing enjoyable and rewarding experiences for our members.

In closing, I want to acknowledge two Committee Members who have not sought renomination at our Annual General Meeting. Jess Palermo is taking a break after nine years on Committee, whilst Indy Brideson is also stepping down but will continue in the role of Club Records Officer. I extend my appreciation to you both for your outstanding service to the Club both on and off the field. There's an exciting year ahead and much to look forward to as we celebrate 100 years of the Sandy Bay Harrier Club.

Daniel Smee – President

Treasurer's Report

The club ran a modest deficit this year of ~\$2700, which is the second year of deficits (last year was ~\$4500). This was due to legal costs as noted in the President's report. Other than that cost, there were many positive trends in the finances of the club this year. Growth in membership has led to increasing revenue from registrations. The club was successful in grant funding with this going towards ice-vests and the dark blue SBHC T-Shirts that helped create team spirit this season. Other useful income came from coaching (Hutchins), Recycle Rewards, and the Quiz night.

The "Light up the Dark" fun run was held in October 2025. The intent of that inaugural event was to test the concept rather than seek to get a financial return. Nonetheless it returned a small profit, even with an increased donation from the club to our charity partner SASS (Sexual Assault Support Services) of ~\$8 per registration, up from the originally planned \$2 per registration. This partnership led to another hosting of the run in May 2026 – that event falls outside this financial reporting period but the enthusiastic response shows that this event sets the club up well going forwards.

Travel support was significant and identical in value to the previous reporting period. It remains an important initiative that the club provides to help members. The committee was cautious with the level of individual support this year but hopes to be able to increase this once total members' funds recover to an upwards trend.

The value of non-current asset values was kept steady this year. A special thank you to members who supported the club with participation in fundraising through returning cans, attending the quiz night and volunteering at Light up the Dark.

2025 Winter Season Report

The 2025 interclub winter cross country season delivered a strong and consistent performance from the Bay, with both men's and women's teams finishing second across all rounds. The women's team finished with 74.5 points at the final siren, comfortably ahead of the men's total of 71.5. With Holly, Anna and Ruby all adding strongly to the women's total, Daniel was left wondering whether anyone would notice if he registered his canine, Oscar, for the season.

Anna Smee was Women's Athlete of the Season, finishing on 76 points, comfortably beating the entire field, including the men. Second overall was Ruby Smee on 56 points, who did enough to remain two points ahead of Thomas Wilson (Men's Athlete of the Season, 54 points). Solid Athlete of the Season contributions came from Pia Abberton, Ava Lindquist, Will Pereira, Will Harding, Libby Crispin and Sky Bestley Toman. The O/20 consistency awards went to Ruby (98 points) and Tom (99 points), while in the O/40, Nick Beeton was the best placed seagull, gaining second overall for the men and Annie Pullen the best placed Bay woman with third overall.

*In loving memory of our beautiful
Annie Pullen, forever a champion*

The O/50 belonged once again to the Smees, with Daniel highest scoring for the men and Anna for the women. In the O/60, Deb Townrow was highest scorer for the women and Daniel was once again left scratching his head about where older male gulls were gathering for the winter, because it wasn't at cross country.

Sky Bestley Toman collected a neat 100 points to be best overall and best seagull in the U/15 women. Tommy Pearsall topped the U/15 men with 81 points. In the U/20s, Pia Abberton finished third overall and best placed seagull for the women, while Will Tarano was best placed gull for the men.

It is with immense sadness that we farewell the O/40 women's champion, Annie Pullen. We will sorely miss Annie at both cross country and track. Not only was she a superb athlete, but the most upbeat, gentle, encouraging club member, always ready with encouragement and some cheeky fun.

Forever in our hearts ❤️

Emma Little, Cross Country Captain

Women's 2025/2026 Track and Field Report

The 2025/26 Athletics Season saw fantastic representation by the Sandy Bay Harriers Women's side, as well as an array of outstanding individual performances. Each week there was a positive atmosphere up at the track, where the blue and white were strongly represented in each event, there was great encouragement from the sideline, and most importantly, people were always keen to participate in the relays!

There were a range of impressive performances throughout the season, including Margot Hobday having various great results in the hurdles, breaking the State U/15 200m hurdles in a time of 29.16s, and the State U/16 90m hurdles in 13.23s. Ava Lindquist also had a fantastic season, being highly competitive at a national level, she was victorious in the Max Cherry Memorial 800m, where she ran a time of 2:10.42, which was an U/15 State Record. Ava also broke the U/15 State 800m record, which had been standing since 2012, in a time of 4:28.93. Violet Owen had another great season, with one of her standout performances was when she broke Penny Gray's State U/18 women's 1500m record that has stood since 1976 with a time of 4:22.81 at the Adelaide Invitational. It was also a Club U/20 record, breaking Ruby Smee's mark from 2020. Also, a shoutout to Jasmine Taylor, for her great attendance and participation in all 12-point scoring rounds.

It has been a pleasure being up at the track each Saturday, I would like to say a huge thank you to Sky Bestley-Toman for helping each week, with putting together relay teams and displaying great leadership. I would also like to recognise Holly Smee for continuing to capture some fantastic action shots in both the track and field events, as well as all the Sandy Bay volunteers who were able to extend their repertoire this season from the long jump pit and beyond. I hope everyone had an enjoyable season, and I look forward to seeing you all back at the track at the end of the year, to set some new personal bests!

Hannah Sheen, Women's Track & Field Captain

The Sandy Bay ladies have once again had an incredible season! It was great to see everyone not only competing on the track or field and filling the whiteboard with PBs, but also catching up with their friends and supporting each other. The energy, atmosphere and snacks at the tent were a highlight of each week.

Sky Bestley-Toman, Women's Junior Captain

Men's 2024/25 Track and Field Report

Well, here we are again, another big season of running, jumping, and throwing done and dusted. It continues to be an absolute privilege to represent Sandy Bay as Men's Captain alongside Will Pereira who had his first year as vice-captain. It's a role I'm incredibly proud of, and one that never gets taken for granted.

First of all, I want to extend a massive congratulations to Hannah Sheen on her first season as Women's Captain. Hannah has done a terrific job leading the women throughout the year, playing a huge role in driving standards and culture. Not only that, but her work behind the scenes organising relay teams for both the men and women has been invaluable across the entire season. It certainly didn't go unnoticed. What a season it has been for the Club. We were fortunate enough to take out the Women's Premiership, the Men's Premiership, and the Combined Premiership once again. That kind of success doesn't come down to one or two individuals; it's a true Club effort. There are simply too many contributors to single anyone out, and that in itself says everything about where we are as a club right now.

One of the most pleasing improvements this season was our relay performances at State Championship events. We saw a dramatic turnaround from last year, with far more athletes putting their hands up to be part of relay teams. The men's teams were outstanding, taking home medals in every event entered across the season, while the mixed relay squad added to the tally with a fantastic silver medal in the 4x400m. It was a real reflection of both our depth and our willingness to show up for each other.

On a personal note, I've now been a member of this club for 20 years, and it genuinely means a lot to see where we are today. The strength of the Club, the culture we've built, and the number of young juniors coming through is something I'm incredibly proud of. Seeing these young athletes come through at the same age I first joined brings it all full circle for me. I hope we can keep as many of them involved for as long as possible, and I'll always do whatever I can to help make that happen.

As always, a huge thank you to our committee and everyone who contributes behind the scenes. The continued growth and success of this Club doesn't happen without the time and effort of so many people. Congratulations to everyone on another outstanding season. Let's keep building.

Jarred Gilroy – Men's Track and Field Captain

Club 400m Handicaps

The Club 400m handicaps were held at the end of Athletics South's Reunion Day, with good fields for both the men's and women's races. Darren Sheen stepped in to assist Cam Cranfield with the difficult task of setting the handicaps. In the Laura Triffett Memorial for women, Libby Crispin notched up her first win in the historic event with a strong run from the middle of the field. Zach Pereira was the front-marker in the Bill Dunn Memorial for men and looked a likely winner before being pipped on the line by younger brother Dom.
